

Join us for an exciting lineup of events, facilitating collaboration between ARUP and UCL. We'll be delving into three central themes: Scaling Benefits, Nature-based Solutions, and Advancing Digital across London and Future Generations. We invite you to explore how we can better work together for a brighter future for the built environment.

Join us for an exciting lineup of events facilitating collaboration between ARUP and UCL. We'll be delving into three central themes: Scaling Retrofit, Nature-based Solutions, and Advancing Digital Construction Methods. These gatherings will unfold at locations across London and feature collaborative activities to explore how we can better work together for a brighter future for the built environment.
